SUMMARY

IT student at UT Tyler working where technology, design, and people meet: from building and testing a task tracker for a campus front desk team to hand-drawing the illustrations on a self-built portfolio site. Brings **QA testing**, **documentation**, and **SQL/database** skills, plus a designer's eye for spotting what makes technology frustrating to use and the curiosity to fix it.

EDUCATION

The University of Texas at Tyler | Tyler, TX Expected May 2027
B.S. in Information Technology; Minors in Graphic Design, Business Administration GPA: 3.5

- Relevant Coursework: Database Systems (SQL), Cybersecurity, Digital Commerce, Graphic Design, Accounting
- Honor Societies: Order of Omega, Rho Lambda (Greek Life Honor Societies)

PROJECTS

Call Board: Task Tracker & QA Case Study | UT Tyler School of Performing Arts 2026

- Built a code-based **task tracker** for a three-person front desk team, organizing tasks and social media posts around each performance
- Wrote **test cases** and QA-tested the app, documenting defects with steps to reproduce and expected vs. actual results

East Texas Permit Tracker Database | Hibbs Institute for Business & Economic Research 2026

- Co-designed a **normalized (3NF) relational database** tracking building permit activity across East Texas

Personal Portfolio Website | drewlamonica.org 2026

- Designed in **Figma** and built with **HTML/CSS**, featuring original folk-art illustrations drawn by hand
- Documented the full design and build process in a "How I Built This" case study

WORK EXPERIENCE

UT Tyler School of Performing Arts | Tyler, TX April 2026 - Present
Undergraduate Student Assistant

- Provide **technical support** to faculty, staff, and students
- Design graphics in **Adobe Creative Cloud** and write social media copy to promote concerts, recitals, and events
- Manage the front desk, greeting visitors and answering questions about programs and events

Dutch Bros Coffee February 2023 - August 2025
Shift Lead

- Led shift teams in a **high-volume drive-thru**, assigning stations and keeping in-person and mobile orders moving
- **Trained and coached** new team members on drink standards, customer service, and store procedures
- Handled opening and closing duties, cash management, and customer issue resolution

Aerie (American Eagle Outfitters) | Frisco, TX May 2022 - August 2024
Stock Associate & Brand Ambassador

- Processed incoming shipments and maintained **inventory accuracy** so product was ready for the sales floor
- Built floor sets and merchandising displays to support brand standards and promotions
- Engaged customers on the sales floor, recommending products and building **brand loyalty**
